1. Which of the following pairs of students stay one each in hostel A and at home?

- (a) Urmila and Sumant
- (b) Sumant and Raju
- (c) Shahid and Raju
- (d) Arman and Urmila
- (e) None of these

Ans. b

Sol.

PERSON	PLACE	SUBJECT
Punit	Hostel B	Biology
Shahid	Home	History/Statistics
Raju	Home	Geography
Sumant	Hostel A	Urdu
Arman	Hostel B	Maths

Urmila	Hostel A	Statistics / History
--------	----------	----------------------

2. Who studies Biology?

- (a) Shahid
- (b) Raju
- (c) Punit
- (d) Sumant
- (e) None of these

Ans. c

3. Which of the following pairs of students stays at home?

- (a) Shahid, Sumant
- (b) Raju, Sumant
- (c) Urmila, Sumant
- (d) Shahid, Raju
- (e) None of these

Ans. d

Directions: (4-6): Study the following information carefully and answer the questions which follow-

Five students P, Q, R, S and T each belonging to different cities– Delhi, Lucknow, Bhopal, Hyderabad and Jaipur not necessary in the same order, appear in five different bank examinations among Clerk, Probationary Officer, Account Officer, Specialist Officer, and Risk Manager, each of which is held at a different test centres– Gwalior, Nagpur, Kanpur, Meerut and Agra not necessary in the same order. - (a) Specialist Officer
- (b) Probationary Officer
- (c) Risk Manager
- (d) Clerk
- (e) Account Officer

Ans. a

6. Which of the following student is from Jaipur?

- (a) P
- (b) Q
- (c) T
- (d) P or T
- (e) Q or T

Ans. c

Directions (7-11): Study the following information carefully and answer the questions given below.

There are five teachers of different subjects viz., English, Hindi, Science, Maths and Sanskrit who take class but not necessarily in the same order. They take class at different timing in a single day. The duration of their class is different. The total duration of the class by all teachers is of 11 hours. There is no gap between the class time of all teachers. The duration of class either full hour or half an hour but not in one third or one fourth. Only one teacher takes class of one subject and only one class of each subject is held in a day.

The timing of class of the teacher who takes class of maths is 10:00 to 12:30 am. The teacher of science takes class just after the class of maths. The duration of class of Sanskrit class is 3 hours. The class of English and the class of Hindi are not taken by any teacher after the class of Science. The class of science is not the last in all classes. The timing of class of English is 7:00 to 8:30 am. The duration of science class is 1 hour more than the duration of class of Hindi.

7. Who among the following subject teacher takes class 8:30-10:00 am?

- (a) English
- (b) Hindi
- (c) Sanskrit
- (d) Maths
- (e) None of these

Ans. b
Sol.

Teachers	Class hour
English	7:00 – 8:30 am
Hindi	8:30 – 10:00 am
Maths	10:00- 12:30 pm
Science	12:30- 3:00 pm
Sanskrit	3:00- 6:00 pm

8. Who among the following subject teacher takes class just after the Sanskrit teacher?

- (a) English
- (b) Hindi

(c) Sanskrit

(d) Maths

(e) No one

Ans. e

9. What is the duration (in hours) of the class of science class?

(a) 2.5 hour

(b) 3 hour

(c) 3.5 hour

(d) 1.5 hour

(e) 2 hour

Ans. a

10. Who among the following subject teacher takes class at first?

(a) English

(b) Hindi

(c) Sanskrit

(d) Maths

(e) No one

Ans. a

11. What is the duration (in hours) of the class of Hindi class?

(a) 2.5 hour

(b) 3 hour

(c) 3.5 hour

(d) 1.5 hour

(e) 2 hour

Ans. d
